Holo Holo 2020

**Holo Holo 2020**

What is Holo Holo 2020?  
Mayor Bernard P. Carvalho, Jr., created a vision for Kauai during his Inauguration speech on December 1, 2010 that has resonated throughout Kauai, the State of Hawaii, and the mainland United States. The vision, called Holo Holo 2020, calls for all organizations, businesses, residents and visitors on Kauai to be part of creating an island that is sustainable, values our native culture, has a thriving and healthy economy, cares for all - keiki to kupuna, and has a responsible and user-friendly local government. The Mayor's speech listed 38 projects which, when realized, will bring us to the vision of Holo Holo 2020. Over the next four years, the Mayor will be tracking progress on these projects, and will illuminate that progress through use of the Holo Holo 2020 logo.
